Exquisite wines and spirits round off our offerings.

We offer variety and special delights via our weekly menu.

The full menu is also available as take-away.

Enjoy your leisure time in the summer months on our terrace.

Under the shade of the umbrellas you can enjoy "la dolce vita italiana" with fantastic food.

We look forward to your visit!

Menu

On our menu you will find a wide selection of seasonal dishes.

We attach great importance to the freshness of our meat and fish products.

All pasta dishes and pizzas in our house are daily fresh and handmade according to traditional Italian recipe.

These recipes are passed from generation to generation and find a great popularity in our restaurant in Hallbergmoos.

For each dish we have a large number of special matching wines.

Please ask us, we would be happy to recommend a variety of wines to match your meal

Especially important to us is the ecological and regional extensions of our fruit and vegetable suppliers.

Vini

Surely it is not always easy to express a wine recommendation and simultaneously to meet the tastes of each.

However, we do it mostly to make the right choice, which has a wide distribution and a corresponding number of enthusiastic visitors.

Our goal is matching wines with our food offer. We do not want to express a wine recommendation under "commercial plans".

Celebrate

“Celebrate festivities as they come”

Regularly we organize various wine tastings in our rooms to bring you the secrets of wine closer.

Cheeses and fruit round out the flavor.

Whether baptism, confirmation, communion, wedding or corporate event, please contact us, we will organize for your unforgettable event.

Of course we can also accompany the party in your private or corporate rooms.

Contact us for your needs, we will be happy to help you.
